Note: Only players who make a Team Valle team will be notified. Our goal is to have all teams finalized by September 14. Team Valle teams will be limited to just 12 players, so that all players will have good opportunity for playing time. We will choose the initial group of players, and we will meet with those player's parents to review the Team Valle program, what you can expect, what commitment we will expect, costs, etc. Knowing there may be some families who may decide not to commit, we will call additional players identified from our tryouts to offer them contingent opportunities to be part of the Team Valle program. The Team Valle program is a great opportunity for a "serious" baseball player who is looking to learn from professional coaches, willing to make commitments to winter workouts and practices, and become the best player they can be. Most importantly, doing all this with sportsmanship, character, good attitude, hustle, & more! All players receive full membership to the new Valle facility.

Players must be pre-registered prior to the day of the tryout so we will know how many players will be attending, and so that each player will be given the proper opportunity to showcase their skills.

Cost of the tryout is \$15. Make check payable to: **Team Valle, Inc.** and mail or drop off at:

Valle Sports, 4659 West Ridge Rd., Spencerport, NY 14559
