What to bring: Baseball pants, bat, cleats, glove, water bottle, & of course "hustle".

By August 20th, our goal is to have the team finalized. Team Valle teams will be limited to just 12 players, so that all players will have good opportunity for playing time. We will choose the initial group of players, and with those players parents, we have a meeting to review the Team Valle program, what you can expect, what commitment we will expect, costs etc. Knowing that there may be a family who may decide not to commit, we will call additional players we saw from our tryouts to offer them the opportunity to be part of Team Valle.

This will be a great opportunity for a "serious" baseball player looking to learn under of the tutelage of professional coaching, and willing to make commitments to winter workouts, Valle membership of our facility, much practice time and more, to become the best player they can be, and **most importantly** doing it with sportsmanship, character, attitude, hustle & more.
